

Spring 270

After death of Claudius & still before the elevation of Aurelian - the Goths undertook a sort of revenge expedition against MOESIA. The Goths were first attracted to ANCHIALUS and its warm springs. Next they left the coast and captured NIKOPOLIS - STARO NIKOLUB. But local militia put an end to this scare.

The Gothic - Herulian fleet in the Aegean operated with somewhat better fortune

than the two divisions that had gone ashore.
although its crews also suffered heavy losses-
through Roman counterattacks and through
hunger & cold, many returned to their home-
land.
